My name is Leslie Sbrocco, and I'm the **host** of *Check, Please! Bay Area*. Each week, I'll share my tasting notes about the wine, beer and spirits the guests and I drank on set during the taping of the show.

2018 Blueprint Sauvignon Blanc

Napa Valley, California, \$40

Blueprint is a stylish wine label making a statement. Created by Napa Valley wine royalty, Robin Daniel Lail, it honors climate change pioneers who according to the winery, "put the health of our planet ahead of quarterly reports and the bottom line." Robin grew up as part of the family behind the legendary, Inglenook winery. She also co-founded two benchmark wineries: Dominus with Christian Moueix and Merryvale Vineyards with Bill Harlan. In other words, she knows Napa Valley. So does winemaker, Philippe Melka, who has crafted a white of precision and purity. A serious Sauvignon Blanc that doesn't sacrifice juicy citrus succulence and pure drinking pleasure.
