A Toast to the Happy Couple

Toaster, luggage, place settings? Instead, why not surprise the bride and groom with a gift of wine?

Napa Valley's award-winning **Lail Vineyards** has the perfect gift for a wine-loving couple—a membership in their exclusive **Feathered Friends Program**. Feathered Friends members receive the current releases of Blueprint, shipped annually each February, May, and October (one Magnum Blueprint Cabernet Sauvignon in February, three bottles of Blueprint Sauvignon Blanc in May, and three bottles of Blueprint Cabernet Sauvignon in October). In addition, they will receive invitations to member-only events and annual offerings of special formats (\$540).
