## BLUEPRINT SAUVIGNON BLANC VINTAGE 2017, NAPA VALLEY

### ACCOLADES

92 Points 🍷🍷

“A consistent producer of top-flight Sauvignon Blancs year in and year out, Lail has once again come up with a highly recommended example that is a serious expression of what the variety can offer. It hits all the bases as far as deep fruit, subtle grassiness, judicious oak and impeccable balance go, and, while not at all difficult to access at the moment, it conveys a sense of structured strength that in no uncertain terms proclaims that it will only get better over the next half-decade or more. That is not to say that it is anything less than delicious right now, and it will make special drinking with dishes as rich as lobster in sauce for those who understandably see no reason to wait.”

“Blueprint Sauvignon Blanc 2017 has enticing aromas of white peach, nectarine, honeysuckle, lemon/lime, and anise. Echoing the aromas, flavors of pie crust, vanilla, honeydew melon and Bartlett pear add further intrigue and complexity. Exhibiting classic varietal energy and nerve, this is a beautiful and vibrant vintage for this distinctive wine.”
