We all have our go-to bottles, and this list features 10 favorites that many of our readers have been seeking. Whether you're looking for a **California** Kirkland Signature **Cabernet Sauvignon**, a **Willamette Valley** **Pinot Noir** or anything in between, we've got you covered.

**Lail 2018 Blueprint Cabernet Sauvignon (Napa Valley); \$80, 96 points.**

From a range of sites and expertly blended by Philippe Melka and his team, this wine has 5% Petit Verdot and spent 18 months in French oak, half of it new. Black olive, pencil shaving, sage and cedar provide a savory context against which concentrated black cherry and plum play. Coffee makes an appearance on the finish. Enjoy 2028 2035. **Cellar Selection.** —V.B.
