## BLUEPRINT SAUVIGNON BLANC VINTAGE 2024, NAPA VALLEY

### ACCOLADES

#### 94 Points

“A distinctive white, with a mix of crisp, mouthwatering lemon curd and fresh nectarine that mingles with richer tones of marmalade, lemon meringue and beeswax notes, plus hints of orange blossoms and lanolin. The texture is creamy and lush, with fresh, vibrant acidity that lingers.”

— *MaryAnn Worobiec, Wine Spectator Magazine*

#### 93 Points

“Unlike the single-site Georgia bottling, Lail’s 2024 Sauvignon Blanc Blueprint is sourced from multiple Napa Valley vineyards. Barrel-fermented and finished in stainless steel, there’s a bit less complexity and density than the top wine, but it’s still an excellent effort. Hints of struck match and redcurrants accent pink grapefruit, while the medium- to full-bodied palate is silky, focused and long. This is a fine value.”

— *Joe Czerwinski, Robert Parker Wine Advocate*

#### 93 Points

“Bright, minerally and citrus-driven, with aromas of lemons, citrus blossoms, crushed stones and minerals. The palate is mid-weighted, textural and rounded, with fine acidity. Made from 100% sauvignon blanc and fermented in 35% new French Oak. Drink or hold.”

### WINEMAKERS’ NOTES

“Blueprint Sauvignon Blanc 2024 is bright, light yellow, and bursts forth with aromatics of guava, sweet pea, citrus peel and lemongrass. This is an intense wine, with great intensity and nerve. The texture is creamy and complex, with amazing crispness and bold acidity. Fruit flavors include green apple, melon, Bosc pear, and a hint of pineapple. This is a totally complete Blueprint Sauvignon Blanc, one of the very best we have made.”
